

HOW TO...

register for a personal account on the Co-Own applications website.

From the Co-Own Apply Now page you will be redirected to the Applications Website. From here you will be able to create your account and submit your application.

In order to create your account you will need to have access to a valid email address in order to confirm and review some documents before you are able to submit your final application.

Step by Step Process

1

Create customer account

Click 'Create your customer account'
(This is the first grey button)

2

Enter your details

You will be asked for your name and email address and to create a password. It is important that you enter an email address that you have access to as we will send you important information which you need in order to complete the application.

3

Confirm using your email

We will send you a confirmation email. On the email click 'Confirm'. You will automatically be taken to the Applications Website Login screen.

4

Login

Enter the email and password you created in Step 2.

5

Authenticate device

Once you login we will send you a 6 digit verification code to your email. Enter the code from the email in order to proceed. Please note this code is only valid for 15 minutes.

6

Begin your application!
